DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 6, 7 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Dependent composition claims 6 and 7 are improperly refer back to compound claims 2 and 3 respectively. Apparently reference to composition claims 5 and 6 is intended. And claim 13, line 5, recites "including" which results in the presence of both generic and species definitions in the same claim. Correction and/or clarification of the above is requested.

Allowable Subject Matter

2. Claims 1-5, 8-12 and 14-17 are allowed.
3. The Berryman et al. Chemical Abstracts reference is cited to show the state of the art.
